APPLICANTS HOLDING PRESTIGE LICENSE PLATES AT THE EXPIRATION OF THE MULTI-YEAR PERIOD (2017) MUST REAPPLY NOT LATER THAN SIXTY (60) DAYS BEFORE THE FIRST DAY OF THE ANNUAL REGISTRATION MONTH ON THE NEW PLATE YEAR (2017). APPLICABLE VEHICLES: Personalized prestige license plates may be obtained for use on all regularly registered motor vehicles; except vehicles obtained for sale or demonstration by licensed dealers (including dealer owned and factory new automobiles), vehicles for which radio amateur plates are obtained, vehicles apportioned under W.S. 31-18-201 and vehicles for which any specialty plates are obtained. The application must be filled out completely before it will be processed.

ALLOWABLE COMBINATIONS: Only capital letters and Arabic numerals shall be used. No other symbols or characters will be allowed. A maximum of four (4) letters or combination of four (4) letters and numbers may be requested. The letters and numbers will be the same size as on regular license plates and will be arranged in a straight horizontal line.

Any combination that spells, connotes, abbreviates, or otherwise stands for language that is obscene, vulgar, indecent, or pruriently suggestive will not be allowed. No four (4) character combinations can contain more than a total of three (3) W's or three (3) M's. No combinations consisting of a number or numbers followed by a single alphabetic suffix will be issued. No combinations consisting entirely of numbers will be issued as a personalized prestige license plate unless the beginning digit is a zero (0). In addition, no combination shall duplicate a currently issued plate or conflict with a series of letter and number combinations on a regular issue license plate.

ISSUANCE OF PLATES: Personalized prestige license plates will be sent to the County Treasurer of the county for which the plates are ordered. Upon payment of the regular registration fees, the County Treasurer will issue the prestige license plates in lieu of regular plates. If the motor vehicle has a current regular registration, the registration and license plates must be surrendered to the County Treasurer upon issuance of the prestige license plates. Allow approximately 30 to 45 days for delivery of prestige plate(s) to County Treasurer's office.

USE AND TRANSFER: Personalized prestige license plates may be transferred in the same manner as regular license plates. **Personalized prestige license plates issued in a leasing company's name remain the property of the lessee** upon termination of a lease agreement. The license plates and balance of the registration fees may be transferred to a replacement motor vehicle of the same type, whether owned or leased. Upon termination of ownership of a motor vehicle, the balance of the existing registration fees which have been paid for the motor vehicle may be transferred to a replacement motor vehicle that is to be leased if the lease occurs within forty-five (45) days after the termination of ownership. The license plates may also be transferred to a like motor vehicle.

Transfer of ownership may occur upon written notification by current owner of combination relinquishing interest and surrendering plates to this office or County Treasurer's office. Current plates must be expired before new plates will be issued by County Treasurer's office. A new application must be submitted with the \$30.00 fee for new owner to receive combination. *Please note, that if you do not renew your license plate within 6 months of your expiration date, the combination will be made available to the public.

LOSS OR DESTRUCTION OF PRESTIGE PLATES: Upon the loss or destruction of personalized prestige license plates, replacement duplicate license plates may be obtained as provided by W.S. 31-2-212. Application for replacement duplicate plates must be made with the County Treasurer from which the original plates were purchased accompanied by fees as provided by W.S. 31-3-102(a)(vi)(A). Duplicate license plates obtained under this section to replace lost or stolen plates shall not be displayed on the vehicle until the validation stickers on the lost or stolen plates have expired.

REFUND OF APPLICATION FEES: Applicants who wish may withdraw their applications **provided the plates have not been ordered. NO REFUND OF THE APPLICATION FEE WILL BE GIVEN IF THE APPLICANT MARKS THE WRONG VEHICLE TYPE.** If uncertain as to the correct type of plates to order, please contact your County Treasurer.
