FOR IMMEDIATE RELEASE

### **Lane closure scheduled on Clark Street Bridge next week**

LARAMIE, Wyo. – The eastbound lane of the Clark Street Bridge (WYO 130/230 toward downtown Laramie) will be closed during daylight hours for two days next week.

Crews with S&S Builders will be making sidewalk repairs on the bridge on Monday, Oct. 30, and Tuesday, Oct. 31, weather permitting.

The eastbound lane will remain open in the evening hours, but the sidewalk will be closed. The westbound lane (toward I-80 and the Snowy Range) will remain open throughout the project.

Although the Clark Street Bridge will be demolished after the new Harney Street Bridge opens, the sidewalk repairs will allow for continued pedestrian access and safe winter maintenance this season.
