S-A	BUDGET MESSAGE	W.S. 16-4-104(d)
<p>Our budget is very basic and does not vary greatly from previous years. It consists of proposed income generated from the sale of water as well as user fees which are designated toward operation costs and loan repayment. We do not budget for anticipated tap fees for new taps sold as they are not a regular occurrence at this time.</p> <p>Expenses consist of water purchase from the City of Laramie, labor costs to pay our licensed water system operators, professional expenses including legal and accounting expenses, utilities for operating the system (power and gas) and limited other operating expenses which may include minor system repairs and property clean up.</p> <p>The Net loss seen by our district is usually a factor of the depreciation on the system and facility.</p>		

S-B	RESERVE DESCRIPTION
<p>All reserves held by the district will be used to payoff our existing USDA loan as well as ensure enough capital to pay for major repairs as they may arise.</p>
