

**EMERGENCY RESOLUTION NO. 2022-016
RESOLUTION DECLARING PARTIAL FIRE RESTRICTION AND BAN ON THE USE
OF FIREWORKS**

WHEREAS, throughout northern Albany County a potentially severe to extreme fire situation exists that is created by a heavy fuel load and dry conditions and could create situations that over-extend the firefighting capability of local government and may be aggravated by open burning and the use of incendiary devices;

WHEREAS, Wyoming Statute § 35-9-301 et al. provides that upon the recommendation of the County Fire Warden the Board of Commissioners of Albany County, Wyoming (“Board”) may close the area to any form of use by the public or limit such use. This closing shall include the prohibition of any type of open fire for such periods of time as the Board may deem necessary and proper;

WHEREAS, Wyo. Stat. § 35-10-201 et al. regulates fireworks and Wyo. Stat. § 35-10-208(a)(i) allows the Board to prohibit use of fireworks via resolution;

WHEREAS, Albany County Fire Warden Chad Dinges has recommended that, with the exception of lands within Albany County Fire District #1, open burning and fireworks restrictions be imposed on all unincorporated, non-federal land in Albany County after a reasonable time for notice;

WHEREAS, any violation of this Emergency Resolution may be in violation of Wyoming Statute § 35-9-304 and is punishable by up to thirty (30) days in jail and up to a one hundred dollar (\$100.00) fine, or both, together with restitution for the cost of fire suppression and damages to others caused by the violation of this resolution; and

WHEREAS, this open fire restriction and ban on the use of fireworks shall begin July 26, 2022 and end no later than November 1, 2022, unless temporarily lifted or reimposed by the County Fire Warden.

NOW THEREFORE THE BOARD OF COMMISSIONERS OF ALBANY COUNTY, WYOMING RESOLVES:

Section 1. The foregoing recitals are incorporated in and made a part of this Emergency Resolution by this reference.
